## Education

**University of Newcastle ▪ Australia**

**Jan 2024 - Aug 2025**

**Bachelor of Information Technology**

- GPA - 5.5 / 7

**PSB Academy ▪ Singapore**

**Jan 2023 - Sep 2023**

**Diploma in InforComm Technology**

- GPA - 4 / 4

## Experience

**Front-end Developer**

**Jan 2025 - Aug 2025**

**At University of Newcastle (Intern)**

Singapore, Singapore

- Designed and developed responsive UI/UX for HIRAKU platform using React.js, TypeScript, and Tailwind CSS, creating wireframes and implementing interfaces across multiple devices.
- Built and implemented file upload functionality, team collaboration features, and AI-driven chat features with attention to detail and user interaction quality.
- Worked with the team to debug UI components and integrate Flask REST API with SQLite for smooth data handling and collaborative functionality.

**Web Developer**

**March 2023 - Dec 2023**

**At Sign Tech (Signs and Banner Service)**

Yangon, Myanmar

- Developed and launched the company's website in line with technical specifications and design requirements.
- Optimized website performance by improving latency, load times, uptime, and monitoring key user engagement metrics.
- Administered website content management, incorporating text, images, videos, and other multimedia assets.

**IT Assistant**  
At **Trust Link Co., Ltd**

**Oct 2022 - Dec 2022**  
Yangon, Myanmar

- Install, configure, and maintain computer network systems to ensure smooth company operations.
- Assisted staff with computer setup, software installation, and troubleshooting, resolving daily IT issues efficiently.
- Performed data entry, distributed incoming mail, and processed outgoing correspondence to support administrative functions.
- Responsible for helping staff troubleshoot and managing the day-to-day technical operations.

## Certificates

---

**42 Singapore Piscine | SUTD Singapore**

**June 2023 - July 2023**

- Intensive coding bootcamp, mastering in C programming and Linux with Git version control environment.
